Hotel Villa Classica

Welcome to our hotel, built in the historic city center of Pápa, which by its nature perfectly fits into the baroque, bourgeois atmosphere of the city.
The building complex with its unique architectural style, with its sophisticated furnishings, thematic living units, and unique private rooms, offers comfort and first-class services to businessmen and tourists alike.

Our oriental wellness department, our restaurant reminiscent of America in the 50s, and our private room inspired by the African savannahs invite our guests to an exciting "time travel"!

The time spent with us is completed by the family atmosphere and the personal attention of our colleagues!
