Safari club

Safari club: conference room for 25 people and club room African style

Our thematic cellar club is quite a favorite among kids and adults. The African wall paintings, trophies and ornaments create its unique ambience.

The services of the “Jungle room” as it once was called by a little boy, are included in our room rates, and our guests are welcome to try and enjoy them (TV, DVD player, pool billiard)

Visit us with your friends or with family, and a good time is guaranteed.
