Themed rooms

Unique styles for special atmosphere: our themed rooms are decorated in a romantical Mediterranean style.

The oleanders, the fig tree, the flowers and the wall paintings make you right away forget that you are actually in the center of an 800 years old town.

These rooms are the perfect choice if you need a little change from your every day life, or if you would like to impress your beloved. We also recommend these rooms for business travelers, and for those who would like to spend a few days in perfect tranquility.
