Restaurant

Villa Classica Restaurant: popular among residents, business travelers and tourists, our in March 2012 entirely redesigned restaurant welcomes guests in the heart of historic downtown of Pápa.

Entering the restaurant from the Mediterranean court, you suddenly find yourself in the 1950s accompanied by James Dean, Elvis Presley, Louis Armstrong or with the beautiful Marilyn Monroe. This elegant but at the same time truly cool ambience doesn't require formal behavior. Although the design is retro, the modern equipment of the restaurant – air conditioning, Wi-Fi internet, LCD TV – provides the comfort of the 21st century.

Also the buffet-style breakfast of cold and freshly prepared warm dishes is being served here. The latest technology of our kitchen and the fresh ingredients make it possible to serve delicious, healthy, spectacular and rich meals to our guests. You can access our menu, drink and wine selection from the left side bar.

In our restaurant, lobby bar and conference room ventilation and air conditioning ensure a pleasant temperature. WIFI internet is available on all premises of the hotel.
