Team building weekends and company parties in Pápa

There might be times when organizing a casual fun filled get-together for your colleagues in a relaxed atmosphere could contribute more to the success and efficiency of your company than a serious training. Our hotel, town and the surrounding areas of Bakony and Somló present the perfect location to give you and your colleagues the opportunity to bond and to get to know each other better.

Our rooms and apartments with their unique individual atmosphere and our conference rooms make it an ideal choice for team buildings and corporate events. Collective sauna sessions in the hotel's oriental wellness center or at the Várkertfürdő of Pápa, wine tastings in Somló's cozy wine cellars are just a few among the numerous indoor and outdoor activities this area has to offer.

Our offers includes the following services:

- Various accommodation configurations in our cozy rooms or unique apartments
- Catering to your needs
- The use one of our air-conditioned conference rooms.
- Use of the hotel's Oriental wellness center: infra saunas, Finnish saunas, rain and bucket shower
